Easter Sunday, afer. 9.

This eventful weeks about conth my sleeping on the porch at Plumers Island under a bright Pascal moon. Lot buch to lower about 9: 30, parked, carried pachages o bags over to the believe at 1650. The most glorious Earter weather Tie towwer in washington, the Conferative reaching 82° Forms " Joyce + hefly on the porch. took When to decine at the amoproles, and then persuaded a lase driver to lake reforms to one the cherry blossoms, full bloom. Kelumed via the Rentagon Reached station about 5:30 but the have did not leave till 10 - form turn late. Jived at slation. Had an upper but the somewhere me was unoccupied. The usual rachet!

Mire . Afr. 10

Constant waits and an loving much lime. But opened about 10, in So. Canoling fut the aupplies about 10, in So. Canoling Mire tohn mat Cobrubia, Savannal, of Jacksonville. Reached Mirami at 12:30, seem hrs. late . Everything closed, o seem hrs. late . Everything closed, o soo to bed-Pietsburger 14 otel.

Lucia apr. 11.

Cleared all but baggings at

Quivays office. From 1:30-2:30

laid on Miani Beach, got a little tan.

An awfully white. Cleared baggage.

Colled on Fairchilds. Barbon looks

quite sich. Edgar brown come forme
and we rount to his lovely Comm.

What a nice place to retire to: The

with him. Brown we derive at

Cocomit Grove. Back in Miani

about 9 and early to bed.

Wed. apr. 12 les at 5:30, bus left acrowange office at 6:30. Breakfast at airfint at Driver Key. Took of on hydroflane at 8: 15. Head to find the blinder or the windows have been done away with so one can see everything. arrived Cientingoo 5-10:30, sent fostal to gogee, trada comple of rune. Left at 10:45, going Sastward along the wast a ways, then south. Vored over Jamarea diore at 1 pm. Many walls, many smel bills. I wagne this is the eveligit country. Heavy raws to east on with not Juls. Cocount palms look starbile from above. Kaller bumpy. Doched at 1:30 pm. hee trorlevaes. Had 2 planlers purcher on the house. Refeat 1: 155. Fine huse on plane alween Cuba o finance, country of towella soup, fruit euf, fried chuchen, 3 sandwiller,

chocolate bar, o cale. Kater hal icecream o wafer.

Reached Barranguilla at 6 from (5 pm. Colombian Time). Organd wortat airport, so went to Hotel El Predo, a very grand and libable place tried to get pregund's brether-in-law, bor Refael Romeallao, the Mayor, but he was out. His owither could me up later. As no word from pregund besided to try and get on the Bogota plane in the moning.

Hurs. ap. 13.

Up at 4:00 and at aniport about 5:30. Watched the many parsangers with owned children and top much beggage get weighted; plane ourloaded so I couldn't get on.

Peter e to hotel, etru to tichet opiece but they wouldn't give me a uservalion tiel dad. Fater

Brigand, their some alberto of Roberto, garainelo, o I making up the part. Our Hotel apulo a beautiful big, open place, with fine meals. fazed around in the afternoon getting acclimated to the lot weather. Early to ted. Rainel at might.

Lipat 5:30 but didit get thrue heat fast full about 6:30 then 8, 1, 5 9, with a boy named I graced as a guide we went across the apuls River and climbed up from 455m (apuls) 5 about 600 in. Roadside this lets but good coelecting got 180 minutes fort applications. Back about 11 and after brush spent some hours putting the slift in press most interesting things were Cappain of macrophylla. Early to bed. Rained.

the May 5.

Up at 5:30 and off before 6, the boy leading we inp along the Rapuba a short distance, then ginte a way up an arroga, I find we got Ormosia apulands. (The shubrada armago). Then aromy around to the railroad to worked back to town, getting back afout 10:30. Janameto 5 9 took of the dried plants. The above 9 hele in Venezuela sendes as had as even and we shall not use it any more. Lat 65 members o put them in, a job lasting tiel 4:45.

Sol. May 6 took of dred plants and puched. Mr. Dugand othe boys left for bogota at 9 and we left in the opposite direction at 11:55. Reached Puhenza at 12: 45. This is a ling town but with quite a few people about on Saturday, Jarainels found out his brother had been culled to Bogota by accourse, so had the can we were effecting. In about 1/2 am home Crosses were ready for my and we rade the t 2 min, to the Hacienda Cucharo, on the wal buch toward Jocanna. a unlecast was sent for our not get last tothe Hacinda bul about 5. We carleeled 2 on 3 umber along the wal. Rigged up the above but found the flants collected yesterday

are efforting We have no extra driers but quite a lot of papers, which we invested. Their is a sensel ranch more than 5 000 acres - many carele. Many random of court, the help very vice to us.

Sun. May 7. One of those very enjoyable days that come 2 or 3 tenses on a try ( tike Guarguine on apr. 13 last year ! Up about 6 after a wight of raing which account exceptionally hard because of the moiss made by the water mining the water mining the variety. Breakfirst was grafefrend, sleah o polalves, o chiveolate. Then we tiked up a quetrada, much dry but with quite a striam

flowing as a result of the mights storm. Collecting was very good and we got 50 numbers, the heat being amaria petrolota; Coffais securidaça, a Safrindaceous tree, with leaves crowdel near the top and lange racemor of white flowers; an Ofoc. near autelania, with much latex (feelings a good rubber source 1.39 4 thys we couldn't gras, as to family. It began to ran rather land but ason we got usel to it and to shooling them the stream and soft mul. back obout 1, and without changing olothics ate up the swell lunch of grapefrint, chicken, rice o hoolles, a sweet o coffee. Them changed with If press, changed drews on The overflow, and put the recomings plants in prem. Then took a short like down on arroya east of the house. We are got a doze of the house. We are got a doze of insults but so for they haven't bother one word. a lovely afternoon, sun and not too hot.

mori. May 8.

My caused, which had been left in Puberya, was brought here, and we left about 8:30 on horselach for the last corral La Cabaira. House putiero first, then a grove of saman". First collection was fund a tree of griangueau chaparro", eviluable a v. if: of Bulueia. Photographial it and too took several africum. after about 45 min. rids from house we reached the deep gorge of the Quebrala Cabaira.

many ferres on the perpendicular worlds, also a Georger. An aphilandra very common, also Charina, which we found in frint. Two Perferonias o about 3 Perpers. I left ascending this to its virgin, where we came out on the Pothero La Carbaña. Sput of about 12 hours at the shack there then returned, arriving at the rank house for a 40 clock lumdreon. Then world on plants

Ly early and collected Cordia alba. Then fached and hung around waiting for the holses to be addled. At 9:30 there was a slight earthquake, lasting about 10 seconds: Coked hear the eaver troughs routing and chair shaking.

The usual delay in getting howing

ready. The earge is togo ore a leaving warso to bring on the cargo. Cualicosos 20d tenous when get get away from, the beary rawn having interrupted tellic and plans reservations being mavailable for some days. Took tayi to Estadio El Campin but the prochall your was of So worked along track to Condal himi. Stadium and watchel one there. West bowling again with Porberg, Hermann, and Hovarity. I'm alesterial.

Sun. May 14

Garcia crelid for me at 9: 45 and
we walked own to the questituto de
la Salle for a meeting of the Goodal
de Creminar hatirales. The ginte
late in slanting and consisted in the
griving of notes by the Printent,
Bio. Opolinar, and of reading a couple

articles from books, one, quite long, from Laudichards Trawels in Santi america. He also should around things - tongue of an aut-eater, and species of quarter, and species of the lutter having on it my ident. label. Went to footback game at El Campin.

Mon. May 15

At Inst. in am, returning tocity at 11:30. At 12 act transportation or many other activities stopped as a result of a political demonstration. Washed them the crowds on Pars. 7 and Playa de Bolivar. Bought plans tight for Cali. This being the day 9 try to collect at least a few plants each year I climbed up the hich back of the Library and got whom 5 min has. This Rappened to be guite interesting Carly to bed.

Fort & Priorty 4 for Barrangiela tomain on June 26. Worked hand, all day, Called on Hermann, whis was in but with a earl.

Wed. May 17 Has more shermous work all day apolinais tigs, Uriles togo; anted collection with origans etc. origans que a demen for une at Cafe Berchart [?]. Present were organd, Jaccia, o paraciello (botanito / and murillo, Otoya, duntana, + Kichter (Entomologists). a gravel feed. Efterwards Fullerey Ologa, o Quitarna woh me to a dive for w.oss, there to & dawing places, where tweeters ous an amean) joint us. Tot back Wholes at I am, dente an ansceroful privel every alloqueta.

Thurs, May 18

Ascension Day & a holiday but
Drugand, thur futteres, o & got
out to the thut, about 8:30, and
I cleaned up everything. There
I would at the Organile, there
3 tooys being there. They are drive
over the Pases de Bolivan, which
runs along the rute, up a way.
Collected Cobara. Spene the verily
the apternoon parling and writing
letters. Made a farewest try downton

Jaramillo reached the hotel atrat

q, bringing a batch of photos for m,
in obading some of the for buscopiet.

Then pregand, Sancia, his wife and one
boy, and Richter, Bancia driving his
can. Sor to airport about 10, and
shot then the weighting. Concluta

Cintion was there and 9 arend
her to sanlograph the fisture of

tur in the bullaring. Which she gracionsly did. I leme lift at 10:40. She sabana mud floodel, many roads way under water. Saw the magdalerea but soon ran into clouds and got no view of the tright mits, Toling, Hula, or King. Cleand lowerd the wester dops. Entered El Valle put math of Buga. fundel at Cali at 11:50. Dr. Cus molina Lances, Secy of aqueulla of al Valle, was there to meet me with his official can. With time were the Sety Jags. Johna and his assistant. Orone to House alfarez Veal for hyphaels then to The vew apartment house, Edifico Julieraez Veles Where Cualiconas hois. He armil in a last at excelly the same recordfrom a morelly to the arustal and south of Breulina There a lovely room. Went mer to the Escuela in the firm and

there hice she has southing interesting to do.

Sat May 20. worlid at best in an . bell about (1, then early at secretaria de agricultura o met several people. son are took us on for some beens. Hell very longy, the warmineacher after the cooling of Bryola berry the course. It arme found on my while coat, but it frach come out with avafor hot waln Howen, & brught a vice lyle out. Cut. o I took in an ordoor bushelball game in the every.
